

{ Still, Sparkling, or Ferrarelle }

For over 100 years, Ferrarelle has bottled naturally effervescent, mineral water from southern Italy. This refreshing water has been highly regarded as the market leading Italian Sparkling Water. Ferrarelle has natural, tiny bubbles that produce a soft texture, often described as "creamy" and "rich."

Ferrarelle Natia Water

12/1 Ltr

05-8649

Pure Mineral Water
Silky smooth texture and crisp flavor
Extracted naturally from an underground well
Filtered naturally with volcanic rocks
Bottled in Riardo, Italy

Ferrarelle Sparkling Water

12/1 Ltr

05-8645

Naturally Sparkling
No artificial carbonation
Low Sodium for exceptional taste
Excellent compliment to fine food and wine
Elegantly styled bottle looks great on restaurant tables
Bottled in Naples

The producing company - Sibat Tomarchio - was founded in 1920 and today is the regional market leader in Sicily with undisputed leadership in the citrus segment. Sparkling drinks from Tomarchio are all natural and only local raw materials are used.

Blood Orange Italian Soda

6/1 Ltr

05-8658

Produced only with local and natural ingredients, our soda has a deep red color, an intense orange scent. The juice is from the local fruit, "sanguinello" orange, a variety that grows on the volcanic soils of Mount Aetna. This blood orange soda is made with 16% juice.

Lemon Italian Soda

6/1 Ltr

05-8658

Produced only with local and natural ingredients, a surprisingly refreshing taste, from the best local lemons. Not over-processed or overly sweet, perfect amount of carbonation, great with meals or by itself. This Lemon soda is made with 12% juice.
